## About Us

---

TFS is where dreams come to life, as you revel in your dreams, that is the language of the universe! Dreams are not meant to fade, but to be brought to fruition and we at TFS will ally with you to turn the brown beauty of our forests into a masterpiece at your homes! Every piece we carve from scratch is a dream, a decadent dream waiting to be brought into the real world! Woodworking brings us immense joy, it's an immersive experience of felling wood from the once living trees, sawing to season them, ready to be crafted into beautiful designs by our skilled craftsmen.

Over five decades of passion poured into every project. We translate your vision into a harmonious style with the wisdom of time and the touch of a master. We let you enjoy this magnificent alchemy as we chisel to create a once-in-a-lifetime masterpiece to adorn every corner of your home!

TFS World provides turnkey solutions to the construction industry for Timber and related products and services, including Timber Cut Sizes, Carpentry Services, Wood Flooring, Teakwood Furniture & Interior Design. At TFS we believe in bringing you at your doorsteps this slice of paradise, the earthy aroma of the woods, and the stories of the unsung hero - our trees!
