KING OF WOODS

BURMA TEAK WOOD FURNITURE

ABOUT US

Tikovina, where we celebrate the magnificent King of Wood with splendour. We use only Burma Teak, because it is the most precious & valuable wood that's available.

The warm, golden-brown hue & remarkable durability has made it a symbol of wealth, status, & elegance for centuries. Burma Teak furniture & accents have the ability to age gracefully, acquiring a patina that adds character & charm over time.

Throughout history, master craftsmen have harnessed the wood's unique properties to create intricate carvings, timeless furniture, & architectural wonders.

For Tikovina, Burma Teak represents a harmonious connection between nature & humanity, a tribute to timeless elegance, reverence to various cultures and admiration for artistic craftsmanship.

Our furniture are manufactured in Burma, as per US & European Standards, thereby ensuring authenticity of the product along with the highest quality of workmanship.
